Assistant Commissioner for Patents  
U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

Applicants' representative received its Monthly Statement for Deposit Account No. 02-0375 dated March 31, 1999 (copy enclosed.). This Statement includes an entry reflecting a charge in error of \$120.00 for claims in excess of twenty (Fee Code 102), in the above-captioned patent application. **Instead, this deposit account should have been credited \$120.00 for overpayment.** On February 24, 1999, Applicants filed a Preliminary Amendment adding four (4) new claims (copy enclosed). The excess claim fee due with this Amendment was \$72.00 for 4 additional claims in excess of 20 (2 independent claims, which increased independent claims from 1 to 3 and 2 dependent claims, increasing dependent claims from 82 to 84).

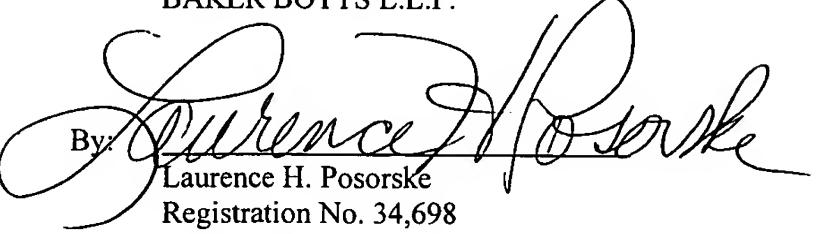

The receipt postcard for this submission (copy enclosed) bears the receipt date stamp of the U.S. Patent and Trademark Office (PTO), confirming receipt of our Check No. 4814 in the amount of \$192.00 for payment of the excess claims fee, which is an overpayment of \$120.00. Therefore, Applicants' representative notes that fees were erroneously deducted from Deposit Account 02-0375 in the amount of \$120.00. Instead this account should have been credited \$120.00.

Applicants' representative respectfully requests that the PTO reverse the \$120.00 charge AND credit a refund of \$120.00 to Deposit Account No. 02-0375. Therefore, please credit **Deposit Account No. 02-0375 a total of \$240.00 in order to correct this error.** A duplicate copy of this document is enclosed to refund the \$120.00 deducted in error and to credit \$120.00.

Respectfully submitted,

BAKER BOTTS L.L.P.
